

HELLO TO OUR BELOVED PATIENT FAMILY!

We are considered essential and are open our regular hours with the exception of being closed on Thursdays until further notice.

Rest assured we are working diligently to adhere to all the CDC recommendations regarding disinfection and sanitation protocols on a daily basis as well as deep sanitizing sessions several times per week when the office is closed. While we have always sanitized our equipment and adjusting tables after every patient use, we are taking extra recommended measures to make sure we maintain a safe environment for both our staff and our patients. In addition, we are scheduling patients such that we can practice social distancing. You will be escorted back to a room as immediately as possible upon arrival and be checked out expeditiously at the conclusion of your appointment.

For the safety of other patients and our staff, if you are experiencing any symptoms such as fever, cough, fatigue or shortness of breath, we ask that you disclose that to us when calling for an appointment and reschedule any appointments you may currently have. As always we are taking extra recommended measures to make sure we maintain a safe environment for both our staff and our patients. In addition, we are scheduling patients such that we can practice social distancing. You will be escorted back to a room as immediately as possible upon arrival and be checked out expeditiously at the conclusion of your appointment.

For the safety of other patients and our staff, if you are experiencing any symptoms such as fever, cough, fatigue or shortness of breath, we ask that you disclose that to us when calling for an appointment and reschedule any appointments you may currently have. As always you may reach out

Personally to Dr Brongo or Dr Shaw with any concerns you may have about your spinal health or COVID-19 .We are doing our best to serve you while maintaining a health and safe environment for all. We are here to support you during these challenging times. We love all of you, miss all of those that we are unable to see right now and wish you the very best in mind, body and spirit!
